

Scattered Brethren Contact List

November 2003

This list provides a way for you to contact other *Servants' News* readers who live near you—and it lets you decide what “near you” means. (For some people, “near” means a few miles, for others it means anything less than a three-hour drive.) All the materials you need are:

1. this instruction page and the following list
2. either postcards or paper and envelopes
3. a big envelope to hold all of the above
4. appropriate stamps
5. a map or atlas if you need help determining how far small towns are from your location
6. **time to write**

This list gives the number of *Servants' News* readers who live in each country, state (or province) and city. We do not give out their addresses, but **you may send us letters or postcards for people in the cities of your choice and we will write their address and mail them for you.** For example, if you live in Dallas, Texas, and would like to contact others in Dallas, Ft. Worth and Denton, Texas, send us 9 letters or postcards: 4 addressed to Dallas, 3 addressed to Denton and 2 addressed to Ft. Worth. We will fill in the street addresses and postal codes for you.

Please include the following on each letter or postcard (see example, below):

1. Your return address.
2. First class postage. Readers outside the USA without access to USA stamps should send us 60 cents per letter for Canada and Mexico, 80 cents per letter for other countries. We will buy USA stamps for you.
3. The words “Scattered Brethren Contact” near the top of the address area.
4. The city name and state near the bottom of the address area. Leave room for us to write the name and address between “Scattered Brethren Contact” and the “city/state” line.

Then, place all of your cards or letters in a large envelope and send them to *Church Bible Teaching Ministry*, PO Box 107, Perry, Michigan 48872-0107. We will not forward items that do not correspond to the above guidelines, that are solicitations or that are from people not on our mailing list. We are not responsible for returning them.

Brethren using this service need to realize that *Servants' News* readers have a great variety of backgrounds. They attend a variety of organizations and hold a variety of doctrines. Some people may not respond to your postcard at all; others may send you literature and try to convince you of their particular beliefs. But our past experience has shown that many brethren make lasting friendships and find places to fellowship using this service. We recommend that your cards or letters contain a very brief description of your interests. Those interested will respond to you and then you can arrange to meet, talk, etc. We hope everyone will keep in mind the principles of Romans 14. This should be an opportunity to befriend, encourage, and share knowledge, not a chance to force your ideas or your organization on others.
